"1ST EVER MONTANA HIGH SCHOOL CHAMPIONS"

THE HIGH SCHOOL ELEVEN OF 1893

The players (reading from left to right): Top row—Elmer Pfouts, Wallace Bretherton, Guy Smith, Finley McRae. Middle row—James E. Higgins, David Hopkins, Charles Sullivan, Harold Bretherton (captain), George Scott, Jack Wolfe. Bottom row—Patrick Lynch, George Heimbach, George Curtis, Russell Matlock, Edward Bennett.

First Butte High Football Team

In 1893 a husky group of students, under leadership of Harry Bretherton, formed Butte High School's first football team. Grid players of that era had to be husky with plenty of stamina along with heft. For those were the days of power plays, and it was not unusual to see the entire team form a flying wedge ahead of the ball carrier with players of the offensive team grabbing hold of their runners anywhere they could and pulling, pushing or yanking the ball totter along in any direction which would make the ball advance.

The wonder is, Harry Bretherton said once during a visit to Butte, (he now resides in New Mexico,) "that some of the ball carriers were not dismembered."

The Butte team played its first high school game in 1894 against Helena, defeating the Capital City team, 8-4, and claimed the first Montana High School championship. Touchdowns in that era counted four points; therefore it is to be considered that Butte scored two touchdowns against Helena's one.

Bretherton coached and captained the team in '93 and was team captain in '94, when the eleven was coached by George Chase. Other coaches of Butte high grid clubs down through the years, have been:

George Lygett, 1895; Buck Hall, 1896-97; Don Gillis, '98; Fred Herbold, '99; Percy Benson, 1900; Dr. Jed Freund, '01; Pat Geagan, '02; Joe Jackson, '03; G. W. Beckett, '04-05; Fred Furman, '06; George Downer, '07-08-09; John Richards, '10; Bob Harmon, '11; L. Post, '12; L. Holste, '13; Dr. R. R. Schroeder, '14-15; Bernie Bierman, '16; L. Shirey, '17; Dr. R. R. Schroeder, '18; Al Whiteman, '19; Gus Sherick, '20; Mike Danahey, '21.

Harry Dahlberg, present coach of the Purples took over in 1922, and won his first state championship in 1924.

Butte championship teams were recorded following 1910 as follows:

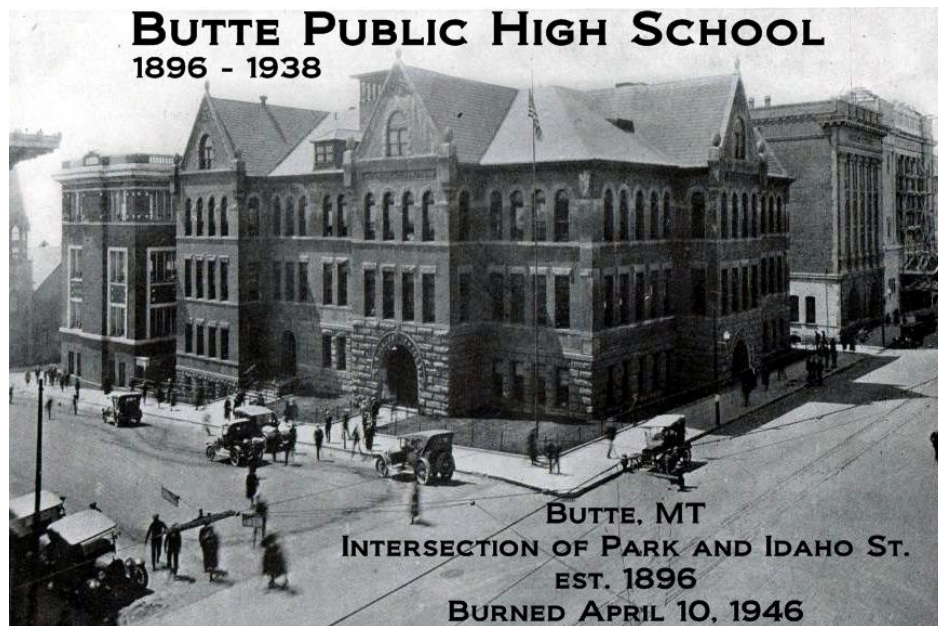

1911, Butte 15, Missoula 0; 1913, Butte 7, Billings, 6; 1914, Butte, Billings and Great Falls all claimed crown; 1915, Butte and Stevensville claimed title; 1916, Butte 30, Great Falls 6; 1924, Butte 34, Billings 7; 1927, Butte 44, Billings 7; 1929, Butte 6, Custer 0; 1930, Butte 19, Custer 12; 1931, Butte 19, Custer, 0; 1935, Butte 2, Great Falls 0; 1937, Butte 10, Billings 0; 1940, Butte 19, Billings 0; 1941 Butte and Billings tied, 7-7; 1951, Butte and Kalispell tied, 7-7.

Team captains at Butte high school have been:

Harry Bretherton, 1893-94; John Wulf, '95; Sid Bretherton, '96-'97; John Corette, '98 Walter Kyle, '99; John Curtis, 1900-'01-'02; Mel Lowry, '03; Emmett Rheim, '04; Jimmy Burns, '05; Jim Roach, '06; Edgar Wilde, '07; Art Saner, '08; Russell McIntyre, '09; Leon Grigg, '10; W. Coach Dahlberg, dean of Montana's high school athletic mentors, and a coach with one of the finest high school records of any interscholastic mentor in the nation, started the system of game, and cocaptains when he took over the coaching system at the high school, and many boys during his regime have served as captains of the Purples.

Dahlberg's first team was composed of Art Conchin, Tom Davis, Bus McDonald, Howard McDonald, Jim Behan, Albert McMahon, Harvey Girard, Carl Tysel, Ted Stodden, Howell Thorpe, Harry Shaffer, Norman Thompson, John Cox, Gene Leamer, Archie McMillan, Ralph Olsen, Ed Joyce, Alvin Cram, Ed Molthen, Jimmy Bertoglio, Farnk Grady, Bob Thierkoff, Ray Ball and Frank Jaquette.

BALMY DAYS OF BUTTE FOOTBALL RECALLED BY FAMOUS TEAM OF '96

Butte high's Purple and White football squads have taken state and intermountain championships in the memory of the younger generation of football fans and every player from the days of Turk Oas and Duke Schroeder to the recent years can be recalled, but athletic glory has gone unknown with half a dozen prominent men of Butte today who were stars on the "team of '96," shown in the above photograph.

Strange for the average group picture of 26 years ago, shows a goodly number of faces that have passed on from an athletic wild world, the one above has but one member who has gone to the Great Beyond, and he succumbed years later to injuries received while he captained the famous eleven of Butte high in '96. He was Sid Bretherton, the dashing leader for the almost forgotten aggregation that in the words of the sport chronicler of the high school in that day "had victories complete; their glory was well deserved and their reputation of being the champion school, as well as the champion junior team of the state, is well worthy of unlimited praise."

From professional man to farmer are the names of the old squad enumerated today. In Butte a representation at the high school games is always found in the old guard, to whom ideas of the forward pass and other open style work on the gridiron in their day would have once gone to brand the game as "slimy."

Bretherton Dead.

Sid Bretherton, left end and field leader of the eleven, went into the mining business following his graduation from school. He lived in the

East for years before his death, which occurred in Ohio three years ago as a result of an operation upon his head, necessitated by a football injury incurred when he captained the team. Earl "Click" Brown, guard, was a 16-year-old griddle at the time he appeared in the photograph. He left Butte 20 years ago and is now in California.

R. A. Holley, on the other guard job, is now in Helena in the government land office and visits his old classmates in Butte occasionally. Percy Dawson, full back in the old days, is a brother of Ralph Dawson of Butte, and is a resident of California, where he has been since graduating from Leland Stanford university.

Henry Porter was left tackle on the team of 1896. He is a brother of George Porter, state auditor, and is now a farmer in the Bitter Root valley. Clarence Hopkins, brother of Henry Hopkins, Butte attorney, and son of Mrs. Olivia Hopkins, one of the city's pioneers, was listed as substitute on the squad. He is now in California and is a successful mining engineer.

Attorney and Banker.

John Corette, one of Butte's leading attorneys and vice president of the Metals Bank and Trust company, was quarterback of the team and with 116 pounds of beef, he was a star of the outfit, the high school publication of that day, declares.

Bert Tonkin, now a surgeon in Wyoming, was a substitute and his six-foot stature was thrown into many of the games of the day.

James Glover, now in the milk business here, was another sub of the champion team. Bert Farlin, a mining man in Butte

today, was left guard of the eleven and was a 170-pounder in his young days as a griddle. Fred Ward of Jensen, Lloyd & Ward, wholesale dry goods, played at the right half back position. He was also a star says the chronicler of the day.

Another Butte man of today who wore mole skins for the team is James Spencer, advertising manager of the Butte Daily Post.

George Jackson, a stationary engineer at a Butte mine, was center on the squad and a good one in his day. R. Kyle, brother of Will Kyle, and at present with the Butte & Superior Mining company, was the regular at the left half back job.

Brothers on Team.

Will Kyle, prominent Butte attorney, was a 110-pound, reserve backfield man in those days and vied with his brother for a regular position in 1896.

Ed Roach, assayer and member of the firm of Lewis & Walker, Wyoming street, was another substitute and later played on the regular teams.

George Van Wart has been a farmer in Western Canada for a number of years but in '96 was a hustling end on the now almost forgotten squad.

John M. McKay, principal of the high school at the time, is a brother of Mrs. J. L. Carroll of Butte and left here some years ago to reside in Oakland, Cal.

F. M. Hall was coach of the team. He is a former Princetonian who gained the hall of football fame at the New Jersey school and later came to Butte to be a member of the famous independent team of the '90s. He left the city years ago.

COLLEGE READY SOON

Special Dispatch to the Standard. BOZEMAN, Mont., Nov. 25.—The new gymnasium at Montana state college here will be ready for use by the middle part of January, say construction men. Partitions are about completed in the building, plumbing is all done and floor work is under way. The laying of the main basket ball floor will start early next month. High school basket ball teams of Montana that attend the interscholastic

are now being sent to the new gymnasium about the playing floor and in the balcony. A special stairway leads from the dressing rooms to the playing floor, for the use of the basket ball teams taking part in the tournament.

SILVER FOX FARMS.

Montana now has six silver fox farms, the farm at Absorokee having been re-established. This farm was once put out of business by a youth who poisoned the foxes. He is now

KEEP A BEE.

The keeping of bees as a source of income on the farms of the state is now receiving close attention in Montana through the activities of the State college, where short courses on bee keeping have been instituted. The industry is said to be productive of large financial returns.

Butte High Team That Played Chicago Squad

This is a picture of the famous Butte High School football team of 1908. It won the championship of high school teams in this section of the country and ranked as "Northwest champions." On Dec. 18 that year it met Englewood High School of Chicago, champions of Illinois and Indiana, at Columbia Garden and gained national recognition as a result of a freak field goal which cost Butte the game. The final score was Englewood 11, Butte 7.

Reading left to right, the players are:

Bottom row—On floor in center, Charles Manley and Ed Duncan.

Next above—Reclining, Tige Harrington and Dick Roach.

Third row — Fred Brooks, Art Saner, captain, and Charles Harmon.

Next above—Trio, just back of Capt. Saner: Steve Fletcher, Gordon "Shanty" House and Russell McIntyre.

Back row — All standing: Roy Grigg, Roy Bergstrom, George F. Downer, coach; Wilbur Irvin, Will Layton, manager; John G. Evans and Stanley Woolcock. (Courtesy of its battle song, "On Butte High result when the teams were gridiron limelight that year."

Roach is an assayer and is widely known through the local mining area; Duncan is a Butte electrician, Harmon resides in Seattle, Brooks lives in Buffalo, N. Y., and is vice president of the U.S. Tobacco Co., Fletcher lives in Salt Lake City, where he is an insurance agent and often pays Butte a visit, House is a clerk in a San Francisco hotel, Grigg is a practicing physician in Bozeman, Bergstrom lives in Oakland, Calif., and is western agent for the Swedish Steel products, Irvin's whereabouts unknown, Layton is a retired district judge in Portland, Ore., and Evans is manager of the Butte City Lines. Those reported dead are Downer, Manley, Harrington, McIntyre and Woolcock.

Downer, who coached the team, was principal of the high school. He was a graduate of the University of Wisconsin, where for a time he was student manager and the goal posts set on the line of the football team and later at each end of the field, as was the plan in those days. The posts were set in frozen ground and were not firmly placed and as a result when the teams were gridiron limelight that year."

sin's "On Wisconsin." He was superintendent of schools here for a time, resigned just before World War I and left for Milwaukee, where for a number of years before his death, was sports writer for the Milwaukee Sentinel. "It was Downer, who was a wonderful coach and very popular with the players, who arranged the game with Englewood," Roach said in recalling the game played at Columbia Gardens on a mid-December afternoon before a large crowd in typical winter weather.

"The Englewood team had made a great record in Illinois and Indiana and their coach had heard of the record made by the Bulldogs," said Roach. "Their coach contacted Downer and the game was quickly arranged. It was considered a 'natural' for the champions of mid-west and the field was marked with the goal posts set on the line at each end of the field, as was the plan in those days. The posts were set in frozen ground and were not firmly placed and as a result when the teams were gridiron limelight that year."

He was some of the men bumped against one of the posts, knocking them far out of line.

"The score was tied seven all late in the first half. Englewood got to Butte's 10-yard line when Butte held. On the fourth down Englewood elected to try for a field goal. The ball went high and wide and not directly over the bar between the posts. An argument followed as the goal posts were not true. The referee, however, ruled that had the angle of the post been carried up to where the ball crossed the end line in the same plane as they stood that the ball would have passed between them. So we lost the game right there.

"The decision of the referee, who by the way was named by the Butte coach, was published in a section of Spalding's Rule Book under the heading of 'Odd and Peculiar Decisions of 1908 Football.'" a humorous section of the book. The story was copied by numerous other sports magazines and in the sports section of many big dailies and put the Butte and Englewood teams in the national gridiron limelight that year."

BIERMAN

Since 1922 Coach Dahlberg has won eight state gridiron titles and six state basketball championships. In the track department, which is the Bulldog specialty, the Butte boys under Coach Dahlberg have walked off with eleven track crowns. No other high school mentor in the entire state has such an enviable record to his credit.

HARRY DAHLBERG

Head Coach Harry Dahlberg, in keeping with the fine record he has made during his 22 years at Butte High, once again applied the touch of "the old master," and turned out one of the finest teams in the state. Widely recognized as Montana's "Dean of Football," the "Swede" stresses hard, clean play, and needs only to point to his record to prove that these principles have paid dividends. Not only a builder of great football teams, he is also a builder of men. Under his guidance, the players learn the necessity of cooperation and sportsmanship which should serve them well in later life.

BILL HAWKE

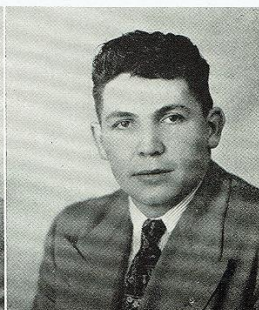

In Bill Hawke, genial assistant coach, Butte High has one of the ablest football strategists and scouts in the state. The Bulldogs' success is due largely to his hard work in devising the many defenses which keep the opponents guessing, and to his efforts in keeping the team in the right frame of mind for their games. In addition to his football duties, Bill does a highly successful job of directing the Freshman basketball squad.

SAM LEEPER

In his second year as coach of the Reds, Sam Leeper did an excellent job on both football and basketball. The experience gained by boys while on the Reds provides them with the know-how for future years on the Varsity. In view of this, a man well qualified for the job is required. Such a man is Sam, a former star at Butte High himself, and later captain of the Montana University Grizzlies.

BOB SPARKS

To Mr. Robert Sparks, ambitious Fresh coach, falls the job of presenting football "as it is played at Butte High" to his youthful proteges, and seeing that they like it. A former star in high school and at Montana State University, now in his fourth year at directing Butte's freshmen, Bob deserves credit for his excellent grooming of the newcomers for their future years on the Purples.

Spartans Are Again Top Team of State

Missoula defeated the Butte Bulldogs 14-0 in a defensive struggle. The Missoula offense was sparked by Pickens, Weishaar, and Quarterback Bray, who mixed up the plays to confuse the Butte line. Halfback Pickens ran almost at will. The Bulldogs were on defense most of the time as their offense couldn't seem to get rolling. Stack and Serigstad were outstanding in the Butte line along with End Mattingly and Halfback Annala.

Missoula's first score came on a line plunge by Pickens early in the fourth quarter and with 20 seconds left to play, Bray went around left end for the second and final score. Both extra points were good, making the final score 14-0.

The following day after the game, an All-Conference squad was picked listing Stack and Serigstad of Butte and Pickens, Bray, Scott and Rinehart. This was Missoula's second straight championship.

BULLDOG HEAD COACH, SAM JANKOVICH

BULLDOGS ARE BLOOD, SWEAT, AND TEARS

by Rick Sparks

Bulldog teams have always been good.
They play the game the way they should.
You might ask why they are the best,
And every season they pass the test,
Because Bulldogs are blood, sweat, and tears!

When you're tired and hurt, and there's blood in your eye
You sit on the bench and ask yourself why,
Why do I work and sacrifice blood,
And come off the field covered with mud.
Because Bulldogs are blood, sweat, and tears!

Why do I work and run and sweat
And come off the field with my jersey all wet?
To be a champ you have to be tough!
If you give your heart you've given enough.
Bulldogs are blood, sweat, and tears!

You might ask why the tears must come.
They come because your deed is done.
You think of Friday . . . your last fight,
Your last game for the purple and white.
Bulldogs are blood, sweat, and tears!

1969 RUNNERS-UP TO STATE TITLE BULLDOG FOOTBALL

Bison, Butte Square Off for Title Tonight

By MAYO ASHLEY
Tribune Sports Editor

The football season ends in Great Falls this weekend and the full schedule of top games should make fans happy. They'll have enough action in the next two days to keep them busy discussing it the rest of the winter.

The top game on the slate is, of course, tonight's clash at 8 p.m. in Memorial Stadium between Butte High and Great Falls High. Great Falls can, by winning, claim its third title in five years. Butte must win to

force a state championship playoff next weekend in Butte. That is the Bulldogs' only chance of getting their third straight state crown.

At 2 p.m. Saturday Great Falls Central, which has won two in a row, takes on Kalispell and at 8 p.m. Saturday C. M. Russell will host Helena. All three games are at Memorial Stadium.

Butte still has a crack at the State Class AA title because of a Montana High School Association rule that says that if the second-place team has beaten or tied the first-place team during the season an additional

playoff game must be held.

Butte and Great Falls, two teams that have dominated Big 10 football for the past six years (they have won three titles each in that time) are a schedule-maker's dream. Despite the fact that Butte has losses to Great Falls Central and Billings Senior on its record, past performances mean little in this game. Butte has had to beat the Bison for the past two years to win its state crowns and the Bison will be seeking revenge.

As we said, it is dangerous to ever compare scores and this is particularly true in the case of these two teams. However, it is

interesting. In only two instances does Butte appear to have an advantage in such a lineup, but these two should stand as a warning sign lest the Thundering Herd get complacent. The only two common teams that Butte has beaten worse than the Bison have were Helena and Missoula Helgate. Great Falls' last two opponents. If you're a Butte fan, you seize upon this as something to consider with optimism. If you're a Bison backer, you say "Well, any team has a letdown and that's what the Bison had in the last two games."

One thing is certain, the home

field appears to be a big advantage for the Bison. They have been winning handily at home (by score differentials of 44, 41, 21, 34 and 42 points), while Butte has been having its problems on the road. Both Butte losses, for instance, were on foreign soil and their two road wins were squeakers.

The Bison have something else going for them. The Bulldogs of coach Sonny Lubick are a team in the old mold — no less than nine men go both ways on offense and defense, while the Bison rarely use an offensive player in the defensive unit. The extra work required to

play two positions starts to wear on one as an evening drags along and could be a big factor tonight along about the time the fourth period rolls around.

Both teams have well-rounded games. The Bison lead the league in rushing and passing, while Butte is fourth in rushing and third in passing. On defense against the rush while Butte is fifth and the Bison pass defense ranks eighth and Butte's is second. The Bison pass defense has been a weak spot all year but it seems to rise to the occasion when it has to.

Butte is led by quarterback Steve Carlson and a group of backs led by Glen Sattoriva and Sid Motts.

It looks like a great defensive battle between two strong teams, but these two clubs count on Jay Baumberger, could surprise everyone with a wide open, high-scoring donny.

and the greatest passer since Brook. Either way it should be Gary Fox of Billings West, end interesting.

Cuellar-McLain Tie Disappoints McNally

NEW YORK (AP) — Dave McNally, also ran in the American League Cy Young Award voting, said Thursday he thought his teammate Mike Cuellar should have won it outright instead of tying with Detroit's Denny McLain, who was "somewhat surprised" at the result.

McNally was asked his opinion in Baltimore after Cuellar and McLain each had received 10 votes in the balloting by the 24-man committee of the Baseball Writers Association of America, two from each league city. Minnesota's Jim Perry received three votes and McNally got one.

Cuellar McLain

"I feel very lucky and somewhat surprised," said the Tigers' ace, who won 31 games in 1968 and followed with a 24-9

season in 1969. "Last year wasn't too much of a problem. This year, I thought sure they'd go with the pennant winner. I'm certainly very much honored."

McLain is a member of a musical group of four who play in music stores or wherever booked. They were due to be in both Sacramento and San Diego Thursday.

Cuellar, 23-11, never missed a turn while helping the Orioles win the pennant. He was acquired from Houston in a trade last winter. The Cuban left-hander's big pitch was a screwball.

PGA Seeks Better Public Image

NEW YORK (New York Times) — The Professional Golfers Association is moving down the fairway in a new direction, seeking to build a better public image. It is planning a campaign to do so.

One of the first steps will be to hold a golfing symposium in New York, Feb. 24-25. This in itself is a unique program in the annals of the organization. The sessions are planned to bring under review and discussion many facets of the game and its relationship to industry, television and the "average" golfer whose payments of expenses help make the sport possible.
